As I set here preparing this newsletter, the calendar says mid-May but it looks and feels more like March. I've been watching our two windsocks, which are about twenty feet apart, go in two different directions. Not only that, a good deal of prime Minnesota topsoil is flying by as well. A dust storm!!, and one would never believe that we had rain overnight. But getting on with the business at hand-----

NEWS FROM THE PRESIDENT

FAMILY MEMBERS, please send in the names of any deceased DFA members since the 1988 Reunion to: Nancy Baxter, Route 2 Box 225, Cynthiana, KY 41031. It is imperative that this information be sent prior to the Toronto Reunion. It is the desire of our association to appropriately honor these deceased members.

I wish to call to your attention some restructuring in our DFA. Marsha Doane Funk, our membership chairperson, has asked to be relieved of her duties. Mrs. Betty Goodrich has agreed to assume this responsibility; however, she should not be expected to handle the full responsibilities of publications. Three members have agreed to serve on the Publications Committee and assume responsibility for assembling and editing the DFA Reunion Proceedings and Newsletters. They are: Imogene Doan Haidet of California, Dorothy Doane Hardy of Nevada, and Lila Doan Hill of Ohio. I have asked a husband-wife team to serve as official photographers during the reunion; however, I have not received their acceptance as yet.

All information pertaining to membership, change of address etc. should now be sent to Mrs. Betty Goodrich (Route 1 Box 38, Waseca, MN 56093).

Committee chairpersons will be expected to read a summary of their committee activities completed since the 1988 Reunion at the 1990 Reunion. This typed report should be prepared in triplicate form (one each for President, Recording Secretary, and Publications Committee). In the event that you are unable to attend the reunion, please mail copies of your report to me.

I look forward to greeting many of you in Toronto.

Bill Doan

The time for the 1990 reunion in Toronto is rapidly approaching. We are looking forward to seeing all our old friends and many new faces there. We should have a grand time as the Ontario folks are working especially hard to see that we have another wonderful reunion. You will find attached to this newsletter more information, and items of interest, about the events.

+ + + + +

There is one reunion related item that I want to include here. Everyone is aware that

following the meetings, we publish a booklet, called the PROCEEDINGS, containing all the pertinent information and photographs of the reunion happenings. We would like to ask all of you who are attending the reunion, to please cooperate with the photographer who will be spending much of their free time behind a camera lens. To make their work just a little bit easier, we ask that when you arrive make arrangements with all the members of your chapters, or family groups, states, etc., to get together at a certain time for the photo session and make an appointment with the photographer. It will save a lot of time and temperment for all involved. It's always our intention to get a photo of everyone attending the reunion, and with your cooperation it will be much easier. All the regular attendees are aware of this, so please help out by encouraging all the newcomers to participate.

+ + + + +

Belated prayers and get well wishes to our Chaplain, W. Patrick Doane, Historian Emma M. Barrows, and President William C. "Bill" Doane, following their surgeries. Our "get well" wishes to all the other DFA members who are 'under the weather', that we are unaware of.

+ + + + +

Congratulations to Charles and Leona Cummings, who celebrated their 60th wedding anniversary in February. They are the parents of life members and officers, Erna J. Phillips, CA, and Betty M. Goodrich, MN; and grandparents of life members Annette L. Schendel and Eric C. Goodrich.

Catch up on your Doan(e) reading! The November 1989 (Vol. 36 No. 11; Whole No. 259) issue of TRUE WEST magazine has an article of interest to us, entitled: *Doan's Crossing*, by Angie Iron (pages 44-47), it is about Jonathan Doan [see pp 390 Vol. I *The Doane Family*], his older brother, Calvin, and two nephews, Robert and Corwin. It is about the founding of Doan's Store, and one time post office of DOAN! More familiarly called "Doan's Crossing". If you are interested in reading this article, check with your local library, or order directly from the magazine: Western Publications, P.O. Box 2107, 205 West 7th, Suite 202, Stillwater, OK, 74074. Cost is \$2.25 per issue. Why not mention that you read about this in your DFA newsletter. (Your editor has subscribed to their publications for nearly 30 years, so can vouch for their reliability.)

WARNING WARNING WARNING WARNING

Once again we want to warn you about a newsletter being published, called "The Doane Family News" of Denver, Colorado. This is NOT sanctioned by the Doane Family Association, nor does it have any connection with our family association. We DO NOT recommend subscribing to it. Some members have subscribed and find that it is definitely not worth the price you are ask to pay for it.

Anytime you receive advertising about DOAN/DOANE publications and you question it, feel free to contact any of the officers, and they will be happy to supply information about your inquiry. Remember that the DFA newsletter and the PROCEEDINGS are provided to all DFA members as a part of your membership. Any books, other publications, which DFA sponsors, you will be made aware of through mailings. Other books, and items, that we feel are reliable and worthwhile, we will inform you about them through our newsletters, etc., and tell you where they can be obtained.

If you would like more frequent, and family information filled, newsletters, then by all means get in touch with your DFA president, or other officers, and let them know. You can be sure that DFA will do their best to provide you with accurate, helpful family information.

Historian Emma Barrows, 124 Eldredge Drive, Vestal, NY 13850, needs some help. Please get in touch with her if you can help in connecting the following into the Doan/Doane family.

- (1) Walter Doane "Bo" Randall, a famed knife maker.
- (2) Pastor Phil Doane, a singing honky tonk hallelujahs of Calgary [Canada].
- (3) Robert K. Doane of West Newton, Massachusetts.
- (4) Frederick Robert "Bob" Doane of Bella Vista [Arkansas?], B. April 23, 1916, Rose Bush,

Death of Richard K. Doan, of the "Doan Report", on May 28, 1989, and
his wife, Bertsch, on July 11, 1989, of Cape Cod. Richard was a native of Pratt, Kansas.
+ + + + +

Many of the 1988 PROCEEDINGS were returned to us, the majority because we no longer have
your correct address. With us, postage is a major expense, even though our mailings go by
"bulk rate" (except to Canada). When a PROCEEDINGS is returned, we must pay \$1.00 in
postage due. If we remail them to you, it will cost us another \$1.25 in postage, unless
you want to wait for the next mass mailing of the PROCEEDINGS. That means that the total
invested in postage is almost as much as it cost us to prepare YOUR copy of the
PROCEEDINGS. Therefore, you can see why it is so important that you keep us informed of
our current address. PLEASE, when you move, let us know!

Listed below are the names and addresses of the returned 1988 PROCEEDINGS. Please check
the list over and if anyone can provide us with the current status of these people, please
drop a line to the new membership chairman, Mrs. Betty Goodrich. When we receive the new
address, your copy will be mailed with the 1990 PROCEEDINGS. If you want faster service,
then we would appreciate a postage donation to help offset the extra costs. (If you are
attending the 1990 reunion, notify me and I'll bring your copy with me.)

* persons marked with an asterisk (*) had a new address supplied by the post office, so
assume you will receive this newsletter. PLEASE HELP US OUT!!

REUNION

The 1990 reunion is rapidly approaching. By now, everyone should have received their information packets and registration slips. Just because the registration deadline is June 1, doesn't mean you can't make up your a little later. However, after June 1, you will be responsible for making your own lodging arrangements. There are a large number of hotels/motels in the immediate area of the Howard Johnson, so lodging should be available close by, if all 200 plus rooms at the Howard Johnson are full. Questions about the rest of late arrangements should be directed to the reunion committee:

Don Brodie, Chairman, 9481 Leslie Street, R R 2, Richmond Hill, Ontario, Canada L4C 7B5

BRING ALONG THE WHOLE FAMILY. Children under 18 stay FREE in the same room as their parents (Howard Johnson literature). The hotel has a pool, and other recreation is close by. If there is a good response from families, a separate youth program will be planned to occupy their time, while the rest of us hold our meetings.

All facilities at this hotel are fully handicapped accessible, so any special needs should be well taken care of.

In your mailings, you will note there are two tour packages (on separate days). There are no conflicting tours, so you won't feel you are missing anything. If you don't care to take the scheduled tours, you will be able to "do your own thing" during that time.

The chairpeople have been working very hard and we are assured the program is excellent and everyone should thoroughly enjoy themselves. The musical entertainment is going to be very enjoyable. Regular reunion goers already know what those Oklahoma folks can do--and the others sound as if they will be just as special.

Remember---if you plan to send that post card back to the good ole USA, it is necessary to purchase and use Canadian postage. The cost is 45 cents to the USA and 39 cents within Canada. Postal facilities are available at the hotel.

Come on and join the fun in Toronto, Ontario, July 31 to August 4, at the 41st International DOANE FAMILY ASSOCIATION reunion.

LAST MINUTE NOTE: Just had another call from Cora Brodie. They are featuring an archival/memorabilia room at the reunion. Bring along some of your Doan/Doane things to share with everyone. The room provided is equipped with security locks, so it will be locked, when not attended, your treasured memorabilia should be safe.
