Let me introduce myself to those of you who do not know me. I am one of the Oklahoma Doans. Although I am not a brand 'newcomer' to the Doan(e) Family Association, I am brand new at getting a Newsletter out to you. I deem it an honor and a privilege to do so. I hope you will find it interesting and informative. Let us all make an extra effort to seek out Doans and Doanes from all these fifty states, from Canada, and beyond. Those who are not lucky enough to have yet become actively involved in this grand Association do not know how much they are missing! I look forward excitedly to seeing all of you at the National Reunion, August 1992, in Idabel, Oklahoma.

FROM THE PRESIDENT:

LET ME GIVE

I do not know how long I'll live,
But while I live, Lord, let me give
Some comfort to someone in need,
By smile or nod, kind word or deed.
And let me do whate'er I can
To ease things for my fellow man.
I want naught but to do my part
To lift a tired or weary heart,
To change folks' frowns to smiles again.
Then I will not have lived in vain.
And I'll not care how long I'll live
If I can give -- and give -- and give.

The preceding poem (author unknown) was taken from SPEAKERS SOURCEBOOK II, compiled by Ms. Eleanor L. Doan, a DFA Life Member from California, and it really addresses my feelings about the just concluded Operation Desert Storm and the brave American and Canadian men and women that served.

Our troops gave their very best effort in the successful liberation of Kuwait, and demonstrated to us all how to help a fellow human being in need. Likewise, they gave a gift to the American people, an opportunity once again to be proud and patriotic and forever put behind us the Vietnam era of shame and embarrassment. (Continued on Page 2)

(Continued from Page 1)

I am most proud of these heroic liberators, and I hope that we can honor those relatives of our Doan/Doane Family in both countries who served the Allied Coalition in the Persian Gulf. I am asking our membership to submit the names of DFA members and/or relatives who gave so unselfishly in this effort. It is my intention to recognize them in the next (Fall) issue of the Newsletter.

The giving on the part of our military personnel should make all of us take note of our own lives. Are we persons who "give" to others or are we only those who want to "get" from others? Each of us have many opportunities for giving in the DFA. We can make a financial gift to the Doane Family Association Foundation which will be a perpetual gift to educate young people of future generations. However, one may make other gifts; It may be the gift of service or kindnesses rendered to other members of the DFA. Let each of us take an inventory of our own "giving."

I want to thank Imogene Doan Haidet of Morro Bay, California, the Chairperson of the Publications Committee for assembling and editing the Spring issue of the Newsletter.

William C. "Bill" Doan, President

DFA FOUNDATION..... Let's continue to keep those contributions coming in for this most important cause. The scholarships and other benefits you can help to make possible through your donations will make a difference to some worthy individuals. For those of you who may not know, Doane College of Crete, Nebraska, has graciously accepted the responsibility of taking care of the administrative details of receiving, recording, investing, and disbursing Foundation Money through a separate account which is supervised with the help of three of our DFA Officers. If your Doan(e) Chapter has a fundraising project, I would like to suggest that a donation to the Foundation would be money well contributed. The Foundation is the only national medium we Doan(e)s have as a group to leave our mark in helping to make this world a better place in which to live. A receipt for income tax deductions will be sent to you for your donation.

You may send your gift to:

WE WOULD LOVE TO PUBLISH YOUR DOAN(E) CHAPTER NEWS! PLEASE SEND YOUR INFORMATION TO US AND WE WILL SEE THAT IT GETS INTO THE NEWSLETTER...

NEWS FROM THE CALIFORNIA CHAPTER.....

At the June 1990 annual meeting one of the things that took place during the Business Meeting was to have each member present some information regarding a DOAN(E) ancestor, ending with "I wish I knew.....about this person." That gets my vote for an excellent idea. Here is a couple of examples: "I wish I knew.....about the migration of 1860-1863 in which my great-grandfather and his family traveled by oxen team from upstate New York to Wisconsin. While my grandfather was alive, (he died in 1934), I didn't have the presence of mind to talk with him about his preparation, the slow trip, the homestead process, and the beginning anew in a virgin area." (Does that sound familiar? I have said the same thing about my great-grandfather...E. note.) "My father's generation is gone and I'm far removed from the few records that are relevant in Monroe County, Wisconsin," continues the presenter. "If you have any information on this subject, please contact Ken Doane, 555 N. Cornell; Fullerton, CA 92631."

And here's one more: "I wish I knew.....more about John Thomas Doane who was born Dec. 1919 in Los Angeles, CA. His mother's name was Letha Van Householder. She was born in 1903 in Charlaroy, PA. His father was Charles Vernon Doane, born in PA, possibly Pittsburg, about 1898. If you have any information, contact: J. T. Doane; 5011 Northwestern Way, Westminster, CA. 92633."

This California Chapter is also following through with its' plan to attempt holding annual meetings in Northern California. They are to be highly commended for their efforts to locate Doan(e)s and get them organized in the north part of the State. If you know of any relatives or acquaintances of the Doan(e) Family, will you please let the Regional Vice-President know their names and addresses? You can write to: Erma J. Phillips, 1030 Encanto Drive; San Jacinto, CA 92833; Telephone (714) 654-4312.

UPDATE FROM THE OKLAHOMA CHAPTER..... (Please note corrected dates below)

An important Committee Meeting will take place on April 9, 1991, to continue formulation plans for the National Reunion, to be held in July/August, 1992 at Idabel (McCurtain County) Oklahoma. Be sure to bring your cameras along; There are many historical and scenic shots you will want to get. It was at Clear Creek plantation near Old Water Mill where the famous spirituals, "Swing Low, Sweet Chariot" and "Steal Away to Jesus" were composed. Nearby Wheelock Academy, is the site of the oldest church in continuous use today. Three State Parks: Beavers Bend, Pine Creek, and Hochatown offer picturesque surroundings for a quiet vacation. This is KIAMICHI COUNTRY!! Hope you start making plans now to attend this Reunion.

NOTE: National Reunion Dates are
July 28,29,30,31 and Aug. 1

For those of you who have not heard, Charles Austin Doan, 93, Ohio State University Dean of Medicine Emeritus died on February 13, 1990, in Royal Oak, Mich. He was known internationally for his research of blood diseases, particularly leukemia. He was named Dean of the College of Medicine in 1944. He reached mandatory retirement in 1960 but continued to teach and see patients long after retirement. In 1983 one of the buildings at the University Hospital was renamed Charles Austin Doan Hall. His family is listed in Doane Vol. II, #1483, page 473. (Columbus Dispatch 2/15/90)

(Continued from Page 3) KAWAIAHAO CHURCH Cemetery.....

George W. Doane, Born Ebon Marshalls, Micronesia, May 8, 1858; Died March 25, 1860; and Baby Willie, Born Honolulu Jan. 15, 1862; Died May 30, 1862.

"Mr. Doane was taken to Manila, as a prisoner in a Spanish Naval Vessel, June 16, 1887; But he was exonerated by the Governor Gen. and reinstated in the Mission in Sept. 1. He was busy with the translation of the Bible when sickness compelled him to leave. He reached Honolulu Mar. 27, but soon passed to his rest above."

Mark Haidet, son of Imogene Doan Haidet, happened upon this tombstone when he was in Honolulu last summer and copied the information down and brought it back to her. We are curious how this family fits into the Doane genealogy ----- do any of you know???

In a FUTURE ISSUE look forward to the DOANS of DOAN'S CROSSING of Vernon, Texas. This was a spot where tens of thousands of cattle were driven across the Red River on their way to market in Kansas in the late 1800's. I will tell you about these Doans, devout Quakers, peacemakers, who gained the trust of the Indians living in that area.

Have a wonderful year!

Imogene Doan Haidet
